Start a New Tradition This Year!

A year ago our friends @REI did something different on Black Friday - they shut the co-op's doors and spent the day outside. This year they're closing again and we're partnering with @52HikeChallenge to bring us an #OptOutside pop-up hike in celebration

Whether you're a seasoned hiker, or have never stepped onto a dirt path, skip the Black Friday madness and join us as we explore hidden gems just minutes from Orangewood.

We will be exploring Whiting Canyon and it's beautiful Red Rock formations.

Distance: 4 Miles (Round Trip)

Difficulty: Moderate

Please Bring: Comfortable shoes, appropriate clothing (depending on the weather, either a jacket, hat etc.) and a sense of adventure!
