## Why is tutoring important?

Tutoring can be a great way to strengthen your knowledge on a specific subject or help you understand areas you might be struggling in. It is imperative to know when to reach out for help and where to go. This can help you gain self-confidence in certain areas and clarify details you might not fully understand in a course.

---

## TO COMPLETE ACTIVITY

### 1. Complete Learning Style Quiz (Link Below)

Determine what your learning style is and how you can use this information when studying.

<http://www.educationplanner.org/students/self-assessments/learning-styles-quiz.shtml>

**Answer questions based on results:**

#### 1. What type of learner are you? Do you agree or disagree?

---

---

#### 2. What are some things that learners like you can do to learn more effectively?

---

---

## Free tutoring options:

Most Colleges and Universities have some sort of Academic Advisement Center, for example:

- CSUF Academic Advisement Center [link](http://www.fullerton.edu/aac/current_students/freshmen/tutoring_services.php)
